

Mammals of Magnetic Island

| Order | Family | Status | Scientific name | Common name | EPBC | NCA | Comments |
|----------------------|------------------|------------|---|------------------------------|------------|-----------------|--|
| Artiodactyla | Suidae | Introduced | <i>Sus scrofa</i> | pig | | | Now extinct on island |
| Artiodactyla | Bovidae | Introduced | <i>Capra hircus</i> | goat | | | Now extinct on island |
| Fissipedia | Felidae | Introduced | <i>Felis catus</i> | cat | | | |
| Rodentia | Muridae | Introduced | <i>Mus musculus</i> | house mouse | | | |
| Rodentia | Muridae | Introduced | <i>Rattus rattus</i> | black rat | | | |
| Chiroptera | Emballonuridae | Native | <i>Saccolaimus saccolaimus nudicluniatius</i> | bare-rumped sheath-tail bat | Vulnerable | Endangered | |
| Chiroptera | Emballonuridae | Native | <i>Taphozous australis</i> | coastal sheath-tail bat | | Near Threatened | |
| Chiroptera | Hipposideridae | Native | <i>Hipposideros ater aruensis</i> | eastern dusky leaf-nosed bat | | | Bolger Bay (Alex Kutt) and a QPWS Atlas record |
| Chiroptera | Miniopteridae | Native | <i>Miniopterus australis</i> | little bent-wing bat | | | Bolger Bay (Alex Kutt) |
| Chiroptera | Pteropodidae | Native | <i>Nyctimene robinsonii</i> | eastern tube-nosed bat | | | Bolger Bay (Alex Kutt) |
| Chiroptera | Pteropodidae | Native | <i>Pteropus alecto</i> | black flying-fox | | | |
| Chiroptera | Pteropodidae | Native | <i>Pteropus scapulatus</i> | little red flying-fox | | | |
| Chiroptera | Pteropodidae | Native | <i>Syconycteris australis</i> | eastern blossom bat | | | Bolger Bay (Alex Kutt) and QPWS Wildnet record |
| Chiroptera | Rhinolophidae | Native | <i>Rhinolophus megaphyllus</i> | eastern horseshoe-bat | | | Bolger Bay (Alex Kutt) |
| Chiroptera | Vespertilionidae | Native | <i>Nyctophilus gouldi</i> | Gould's long-eared bat | | | Bolger Bay (Alex Kutt) |
| Chiroptera | Vespertilionidae | Native | <i>Scotorepens balstoni</i> | inland broad-nosed bat | | | QPWS Observation, not dated. |
| Chiroptera | Vespertilionidae | Native | <i>Scotorepens sanborni</i> | northern broad-nosed bat | | | Bolger Bay (Alex Kutt) |
| Chiroptera | Vespertilionidae | Native | <i>Vespadelus pumilis</i> | eastern forest bat | | | CSIRO 1966 and more recent record from Bright Point |
| Chiroptera | Vespertilionidae | Native | <i>Vespadelus trougtoni</i> | eastern cave bat | | | Bolger Bay (Alex Kutt) and Qld Museum specimen from ammo store on track to Forts |
| Rodentia | Muridae | Native | <i>Hydromys chrysogaster</i> | water rat | | | |
| Diprotodontia | Macropodidae | Native | <i>Petrogale assimilis</i> | allied rock-wallaby | | | |
| Diprotodontia | Macropodidae | Native | <i>Wallabia bicolor</i> | swamp wallaby | | | |
| Diprotodontia | Phalangeridae | Native | <i>Trichosurus vulpecula</i> | common brushtail possum | | | |
| Monotremata | Tachyglossidae | Native | <i>Tachyglossus aculeatus</i> | short-beaked echidna | | | |

| Order | Family | Status | Scientific name | Common name | EPBC | NCA | Comments |
|-----------------------|-----------------|--|-------------------------------|-----------------------|------------|------------|--|
| Diprotodontia | Macropodidae | Native. Introduced to the island | <i>Macropus giganteus</i> | eastern grey kangaroo | | | Recent unverified sightings of released individual |
| Diprotodontia | Macropodidae | Native. Introduced to the island | <i>Macropus robustus</i> | wallaroo | | | Recent unverified sightings of released individual |
| Diprotodontia | Macropodidae | Native. Introduced to the island | <i>Notamacropus agilis</i> | agile wallaby | | | |
| Diprotodontia | Phascolarctidae | Native. Introduced to the island | <i>Phascolarctos cinereus</i> | koala | Endangered | Endangered | |
| Dasyuromorphia | Dasyuridae | Native. Probably introduced to the island | <i>Dasyurus hallucatus</i> | northern quoll | Endangered | | One record, likely a stowaway |
